

### **Physical Examinations:**

The Atlantic Union Conference Education Code states that a physical examination is required for all students entering the **first, fourth, seventh, and ninth grades**. The medical examination report will be kept in the student's cumulative record folder. Please provide this documentation by the end of the first week of school.

### **Immunizations:**

The Atlantic Union Conference Education Code states that immunization requirements of the respective states apply to Seventh-day Adventist immunization requirements. **Proof of immunization must be presented to the school office when the student initially registers for school and an up-to-date record must be maintained for each student.** A legal waiver, signed by the parent or guardian, in the event immunizations are not desired for a student, must be kept on file at the school.
